## United States Senate

COMMITTEE ON  
 GOVERNMENTAL AFFAIRS  
 SENATE PERMANENT SUBCOMMITTEE  
 ON INVESTIGATIONS  
 WASHINGTON, D.C. 20510

May 18, 1982

Admiral Bobby R. Inman  
 Deputy Director  
 Central Intelligence Agency  
 Washington, D. C. 20505

Dear Admiral Inman:

I would like to thank you, on behalf of myself and the Permanent Subcommittee on Investigations, for your cooperation and testimony before the Subcommittee during our hearings on export controls and technology transfer.

Your thorough and candid comments underscored the problems our nation faces on this most important issue and has helped lay a foundation for legislative reform in this area.

Moreover, the staff has advised me of the full cooperation afforded them by CIA personnel during the entire investigation. I welcome the initiative and priority the Intelligence Community is offering the problem of our technology drain and believe that it will go a long way to help reform in this area.

The Subcommittee recognizes and appreciates the valuable assistance which you and your staff have voluntarily furnished in this matter. I personally commend you for your support and cooperation not only during this investigation but also for the many years of outstanding and dedicated service you have given your country. My best wishes to you in your future endeavors.

Sincerely,

Sam Nunn  
 Ranking Minority Member
